I purchased BBT'S \$499 SP-45 Self propelled mower on Friday. Setup was very easy. It's cut mowing time in half with the 22inch deck and the quality of cutting is excellent. What an awesome product. Customer service is fantastic and the staff are very friendly and courteous. I'm really looking forward to my next purchase of their multi tool polesaw. I'd recommend BBT to anyone looking for garden and lawn products. Thanks BBT you made my day. If I could give you ten stars I would.

Great service from BBT. Communication exceptional! Rachel promptly followed up all queries. BBQ arrived on schedule. Fired up the Bull BBQ for the first time yesterday, the pizzas were scrumptious! This evening we cooked a lovely roast beef on the rotisserie.....Will do a stir fry on the side burner tomorrow evening. I am amazed at the quality of the Bull BBQ construction. All heavy duty stainless steel. Assembly was easy, as all components slotted together perfectly. All in all, a great experience! Definitely would buy here again. Thank you to all at BBT!

Changed spec on the product (fundamentally changing the function of the product) and only recourse was to ship back at my expense for a refund.

Nothing that they sell can't be bought elsewhere, so avoid if you want peace of mind that you will get what you ordered.

We have purchased a few items from Bigger Boys Toys. A log splitter, ride on mower and chainsaw. We needed some after sale service with the log splitter, the assistance received was very prompt and instructions given very helpful. All items great quality and we have had no issues. Great prices. Highly recommend Bigger Boys Toys and their products.
